HOW KRUGER PRO SUPPORTS THE LONG-TERM CARE INDUSTRY

PROVIDE EASE OF USE

Touchless dispensers provide controlled dispensing and, when paired with quality paper products, help meet sanitary and health & safety requirements and mitigate lost productivity.

FOCUS ON HYGIENE

Enhance protocols to prevent microbial and microbiological cross-contamination through use of premium quality tissue and paper products, along with touchless dispensing solutions

REALIZE COST-IN-USE BENEFITS

High-quality, high-performing products mean less overall wastage and less replenishments required.

LEAD IN SUSTAINABILITY

We prioritize the environment and our social impact in all of our daily operations. To reinforce our commitment to sustainability, most of our products are FSC® and/or ECOLOGO® certified.
